John,  
For your review, we are providing a draft of the early guidance paper that we plan to walk through with Benita on Monday and then at the Tuesday meeting, a draft of the outreach plan (I slightly updated it to reflect the Big Ten meeting on Oct 10 and that our webpage would go up in September), and the high-level version of the analytic blueprint that we discussed earlier.

Team – I made some minor edits to the EG paper, and I moved the discussion questions to after the list of issues to keep the flow focused on that before turning to the planned outreach. John, see what you think.

Please let us know if you have any edits so we can send it to OW by 3:00.

Thanks!
